

Reserve Index Program

Having a strong reserve in the six areas of your life is an advanced step in your personal development process. In fact, you are much more able to discover and share your unique gift when this reserve has been established.

The **Reserve Index**[™] consists of 100 items which, when achieved, give you the inner strength you want because you then will have more than you need, personally and professionally.

INSTRUCTIONS

There are 5 steps to completing the **Reserve Index**.™

Step 1: Answer each question. If true, check the box marked True. Be rigorous; be a hard grader. If the statement is sometimes or usually true please DO NOT check the box until the statement is virtually always true for you. (No "credit" until it is really true!) If the statement does not apply to you, check the box. If the statement will never be true for you, check the box. (You get "credit" for it because it does not apply or will never happen.) And, you may change any statement to fit your situation better.

Step 2: Summarize each section. Add up the number of checked boxes for each of the 6 sections and write those amounts where indicated. Then add up all six sections plus the bonus section and write the current total in the box on the front of this form (max 100).

Step 3: Fill out the Bonus Section. Please fill in the specific things or areas in which you do not currently have a reserve, but know you really want one in. Select ones that are not mentioned in the other 90 choices. As you get a reserve in these 10 areas, give yourself credit by filling out the little pyramid on the front.

Step 4: Color in the Progress Chart on the front page. If you have 9 checks in the Time section, for example, color in the bottom 9 boxes, and so on. Always start from the bottom up. The goal is to have both charts filled in. In the meantime, you have a current picture of how you are doing in each of the six areas.

Step 5: Keep playing until all boxes are filled in. You can do it! This process may take 30 or 360 days, but you can achieve a perfect score on the **Reserve Index**. Use your coach or a friend to assist you. And check back once a year for maintenance.
